7. I have heard that I have to provide social media user names on my visa application. Is this true? I have not had to do this in the past.

Yes, this is a new question on the Form DS-160. Applicants are now asked to provide information regarding any social media platforms that they have used during the five years preceding their visa application. You will be asked to provide any usernames or handles used on those platforms. Applicants can choose from a pulldown menu.

8. Do my F-2 or J-2 dependents each need to submit their own DS-160?

Yes. Each visa applicant must complete and submit their own DS-160 and pay a visa application fee prior to their visa interviews. If any of your family members are under the age of 16 or physically unable to complete the application, the applicant’s parent or guardian may complete and sign the application on his or her behalf.
